Commissioner for Patents
Office of Petitions, Attn: William A. Krinski
Washington, D.C. 20231

**REQUEST FOR RECONSIDERATION OF
PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181 (NO FEE)**

Dear Mr. Krinski:

By letter dated November 12, 2002, the Office of Petitions informed us of their decision to deny the Petition to Withdraw Holding of Abandonment, filed October 22, 2002 ("Office Letter"), for the patent application, referenced above. This application was held abandoned on August 28, 2002, because the records of the United States Patent and Trademark Office ("USPTO") do not indicate their receipt of Applicants' Response to an Office Action dated January 24, 2002. Applicants submit that the subject Response was filed with the USPTO on April 24, 2002.

According to the Office Letter, the subject Petition was denied because Applicants provided: (1) "statements" rather than declarations in the subject Petition; (2) a copy of the subject Response that did not contain a certificate of mailing; and (3) a post card receipt that failed to contain the required date stamp from the USPTO. Applicants submit that the denial of the subject Petition was improper for the reasons below and respectfully request reconsideration thereof.

First, Applicants submit that declarations are not required to show that the subject Response was timely filed with the USPTO. 37 CFR 1.8(b)(3) only requires a statement from individuals with personal knowledge of the previous timely mailing of the subject Response. Applicants provided such statements in the subject Petition.

USSN: 09/429,295
Attorney Docket: 10196

Second, Applicants submit that the subject Response that was mailed to the USPTO on April 24, 2002, did in fact include a proper certificate of mailing. A copy of such certificate of mailing, made in accordance with 37 CFR 1.8(a)(1)(ii), is shown on page 1 of Exhibit A of the subject Petition, a copy of which is attached hereto.

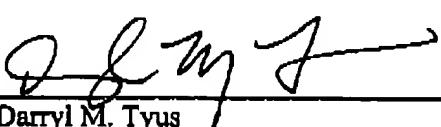

Third, Applicants submit that a return postcard receipt is not needed to show that the Response was timely filed with the USPTO. Nowhere in 37 CFR 1.8 is there a requirement for a return postcard receipt. Please note that the return postcard receipt that was referenced in the Office Letter was a copy of such postcard that was mailed to the USPTO. As stated in the subject Petition, Applicants have not yet received a date stamped return postcard receipt from USPTO for the subject Response.

Lastly, Applicants note that the Decision on Petition was addressed to Peter W. Roberts, Esq. at Mobil Business Resources Corporation. Applicants have previously requested a change in the correspondence address for the application, referenced above, pursuant to a substitute Power of Attorney, dated November 7, 2001 (copy attached). Please send all future correspondence for this application to ExxonMobil Chemical Company, as requested.

In view of the foregoing, Applicants respectfully request the Office of Petitions to withdraw the holding of abandonment for the application, referenced above, and return the application to pending status.

Please charge any required fee to Deposit Account No. 05-1712.

Respectfully submitted,

Darryl M. Tyus
